

After arrival checklist

- Participate in the orientation program.
- Sign the tenancy agreement, if not done earlier (check also the need for washing machine token/card).
- Locate student health services.
- In case you have any chronic diseases or medical allergies the school nurse recommends you to contact her as soon as possible after your arrival.
- Get mobile phone and/or Finnish mobile number (prepaid). It is easier for the tutors and staff in UAS or practical placement people to reach you especially needed in Social and Health Care.
- Get internet connection (if it's not included to the apartment).
- Obtain a library card.
- Obtain a SAMOK student card.
- Obtain the meal card from the study affairs office in order to get lunch at student price, if you don't have appropriate student card.
- Familiarize yourself with your flat and its surroundings, the school facilities and the city.
- Obtain Sports Pass to enjoy sport services at low cost.
- Visit the nearest post office and file a notification of change of address
- Exchange students should register in the police station's office if they are going to stay in Finland more than 3 months. The registration costs 50 euro. You need to prepare to have with you: passport, acceptance letter/ study certificate, and proof of adequate financial support for your stay, European Health Insurance Card.
- Get a social security number in local registration office (maistraatti) if you have not obtained it at the same time with your residence permit.
- Inform your Finnish social security number to your student's affairs office. It needs to be added to WinhaWille to your information.
- Degree students: register your permanent municipality in the registration office (maistraatti).
